Frog Design

Visual Design Intern Fall 2017

Joined a variety of projects and collaborated with designers across disciplines. Projects included graphics for a consumer product, the visual direction for a retail environment, and materials to help facilitate discussion with clients.

IDEO

Graphic Design Fellow Summer 2017

Joined a team through the full development of a project aiding with ideation, research, digital and print design. Managed the production of our prototypes including a AR App and packaging design. Engaged with the clients to explain our research findings and recommended next steps for prototype development.

RISD Media Group

Graphic Design Assistant Spring 2017

Worked alongside RISD's in house design agency to produce materials for admissions and other externally facing publications.

Once Future

Graphic Design Intern Winter 2017

Designed identity systems for clients ranging from nonprofits to an architecture agency. Coded a custom Squarespace site for a client. Continue to work with the team to de-bug websites.

Brown Entrepreneurship Program

Head of Marketing + Design 2016-2017

Led a team of 10 other students to design materials to support the club as well as a weekly newsletter, social-media presence, blog, and website. Worked closely with another team leader to run Brown's first Women's Empowerment Conference.

RISD Graduate Program

Teaching Assistant Fall 2016

Assisted in the teaching of Typography One for graduate students in the three year graphic design masters program. Provided feedback and guidance on projects.

Birchbox

Creative Team Intern Summer 2016

Worked with the print, digital, and photography departments to design the set of digital ads for September. Helped to lead concept meetings. Updated assets to reflect the new identity.

RISD Museum Fellow

Costume and Textiles Department Spring 2016

Assisted the curatorial staff with exhibitions preparation.

Harvard-IDEO Make-a-Thon

February 2015 Awarded 3rd

Selected to participate in a weekend long think-tank focused on peer to peer micro-loans. My team and I developed an app that focused on non-monetary forms of payments.

Fidelity Investments

Graphic Design Intern Summer 2015

Designed assets for internal use. Helped to simplify complex information and data for a wider audience.
